Mystery. Intrigue. Strange encounters in the Far East. Three ingredients Mark and Gus, both martial-arts and visual artists, surprisingly get mixed up in, as they strive to obtain "The Three Perfections" of Chinese art. While Mark explores oriental paintings, practices kung-fu forms, finds culinary treats and visits popular Beijing sights, his stuffed companion, Gus Greenbear, drops into a time warp full of historical figures in the guise of teddy bears. Without warning Gus is deep into an adventure that challenges his wit and proves for all time just what he is really made of.
